techniques and delivers proven strategies which actually work. Foreword by Professor John Dunlosky. 'Read, highlight, reread, repeat if such a revision cycle sounds all too wearily familiar, you and your students need a better route to exam success. And in light of the recent decision to make all subjects at GCSE linear, so that students will be tested in one-off sittings, it will be even more important that students are well equipped to acquire and recall key content ahead of their exams. In this wide-ranging guide to effective exam preparation, Jake Hunton casts a careful eye over a wide range of research into revision techniques and details the strategies which have been proven to deliver the best results. With plenty of practical suggestions and subject-specific examples, Exam Literacy provides teachers with user-friendly advice on how they can make the content they cover stick, and shares up-to-date, evidence-based information on: The nature of learning and the various types of memory. How to improve students' retention of knowledge and recall of content. Why popular revision techniques, such as rereading, highlighting and summarising, may not be as effective as you think. How revision strategies that have been identified as being more effective such as interleaving, elaborative interrogation, self-explanation and retrieval practice can be embedded into day-to-day teaching. How students can be encouraged to make use of these winning strategies when revising independently.

Prevention Specialist Exam Study Guide Dec 22 2021 The Prevention Specialist Exam Study Guide helps readers to understand the competencies and knowledge necessary to become a Prevention Specialist (PS) and adequately prepares prevention professionals to pass the Prevention Specialist certification exam. With this book, Nicole Augustine aims to close the gap in existing literature for the PS exam and enhance the prevention workforce so that society is better equipped to address current and future substance misuse challenges and improve long-term health outcomes for all.

Divided into six domains, each module of this study guide contains a self-assessment, suggested readings, and a review of the information covered in the PS exam. A chapter covering the overall credentialing process and the additional requirement variations by the state is included. Substance prevention professionals around the world looking to become a credentialed professional will find this one-of-a-kind resource indispensable.

Banking's Final Exam Mar 01 2020 Spurred by the success of the first stress test of US banks toward the end of the global economic crisis in 2009, stress testing of large financial institutions has become the cornerstone of banking supervision worldwide. The aim of the tests is to determine which banks are adequately capitalized under severe economic shocks and to order corrective measures for those that are vulnerable. In Banking's Final Exam, one of the world's leading experts on banking regulation concludes that the tests administered on both sides of the Atlantic suffer from fundamental weaknesses, leading to a false sense of reassurance about the safety and soundness of the banking system. Some weaknesses can be corrected within the existing bank-capital regime, but others will require bold reforms—including higher minimum capital requirements for the largest and most systemically-important banks. The banking industry is likely to resist these reforms, but this book explains why their objections do not hold water.

**Illustrated Study Guide for the NCLEX-RN® Exam - E-Book** Aug 06 2020 It's a fun, visual review for the NCLEX! Illustrated Study Guide for the NCLEX-RN® Exam, 8th Edition covers all the nursing concepts and content found on the latest NCLEX-RN examination. A concise outline format makes studying easier, and 2,300 NCLEX exam-style review questions (including alternate item formats) are included to test your knowledge at the end of each chapter and on the Evolve companion website. Written by NCLEX expert JoAnn Zerwekh, this study guide uses colorful illustrations and mnemonic cartoons to help you remember key concepts for the NCLEX-RN exam. UNIQUE! Mnemonic cartoons provide a fun, easy way to review and remember key nursing concepts and disease processes. UNIQUE! The integrated systems approach incorporates pediatric, adult, and older adult lifespan considerations in each body system chapter. UNIQUE! Appendixes for each chapter summarize medications and nursing procedures for quick reference. Electronic alternate item format questions on Evolve prepare you for the interactive question types on the computerized NCLEX examination, including priority drag-and-drop and hot-spot (illustrated point-and-click) questions. Practice questions on the Evolve companion website are available in both study and quiz modes and separated by content area, allowing you to create a customized review experience based on your personal study needs. Answers and rationales for all review questions show why correct answers are right and incorrect options are wrong. NEW! 2,300 review questions are now included

on the Evolve companion website. Two NEW alternate item question types are added: graphic options and questions incorporating audio. UPDATED content reflects the latest NCLEX-RN test plan and incorporated important clinical updates. NEW! Page references to an Elsevier textbook are provided with each question, for further study and self-remediation. NEW! Disorder names are highlighted in color in the index for quick reference. EXPANDED coverage of management of care reflects the increased percentage of this content on the NCLEX-RN test plan.

*Cpc Practice Exam 2013 Sep 06 2020 150 question cpc practice exam* created to mirror the actual AAPC CPC exam. This cpc practice exam has the same basic structure and category divisions with questions very similar to those found on the real exam. Each question's answer also includes a detailed rationale. Updated in 2013. Will definitely help you pass the CPC exam issued by the AAPC, and is also helpful if you are taking the CCS exam by AHIMA. Don't let your dream of becoming a Certified Professional Coder pass you by! The medical billing and coding exam is not easy to pass, and this book will help you feel less intimidated when taking the test - you'll feel like you've already done it before.
